

Local 478 cancels January Membership Meeting

Dear Local 478 Brothers and Sisters,

Given that our next Monthly Membership Meeting falls within three weeks of Christmas and two weeks of New Year's Eve which are holidays when our members may be gathering with people beyond their immediate households, we have decided to suspend our January Membership Meeting. This careful decision was made based on Covid numbers increasing throughout Connecticut and, with the health and safety of our members always being our top priority, we are also following the advice of healthcare leaders who foresee a Covid surge around the second week of January, the week when we would normally be holding our Monthly Membership Meeting. As always, we appreciate your patience and support as we look forward to a return to holding our Monthly Membership Meeting as soon as we can.

Wishing you and your family a healthy New Year,

Business Manager Garry Gyenizs
